Steven Horn

Sept 1, 2018

Dear Scouting Parents,

Welcome to Troop 267! Since 1910 the Boy Scouts of America has taught self-reliance, responsibility and leadership to America's boys, using the great outdoors as a classroom. It is a comprehensive program that serves over 15,000 in Nassau County (Theodore Roosevelt Council) alone. While there are other programs your son(s) can join, none will have him take part in the planning and the implementation of his own program. None will provide him with the critical mix of physical and intellectual challenges, and none will provide a year-round program that "grows" with him.

Troop 267 was started 25 years ago, with only 6 boys. We meet once a week, go camping each month, and participate in ecology and community service projects. We've been honored as a "Quality Unit", have "graduated" thirty-one Eagle Scouts who have attended top colleges and universities, and we've earned top National honors in four of the last 25 years. We're very proud of our accomplishments.

Keep in mind that attendance is not casual. Good participation by each Scout and his parents is critical to making the program work. There is a lot you need to know, and I have tried to condense the basics in this packet. Please take the time to read it carefully. You will find it very helpful.

Feel free to contact me if you have any questions getting started (621-3890).

Yours in Scouting,

Steven Cahn
Unit Commissioner
